MANNING II

The Manning II from Rawson Homes is the ultimate entertainers dream, with spaces that just go on and on, this is a home to flourish in.

Explore the many facets of this design & it will enthrall you as the amount of stylish features included keep on adding up. From its very heart, the designer kitchen, you will be fully equipped to manage any gathering be it large or small. A simple coffee while kicking back watching a movie in the theatre room or a more elaborate evening held in the separate living & dining areas will be a complete breeze. But when you do need to ease your weary mind where better to relax than the luxurious master suite with its expansive walk in robe and exquisite ensuite perfectly placed away from the separated kids zone. Though we're sure the kids won't mind as they sprawl out in their own large double bedrooms with the very handy laundry & super sized bathroom. This daring design of multi-dimensional living spaces will be a delight for years to come, banishing boredom forever.
